

## Puggeoversikt sterke verb engelsk 7. trinn

Alle starter med de 45 mest brukte verbene. Level 2 og 3 vil være gjennom disse 45 etter 4 perioder. De av dere på Level 2 og 3 som da ikke har lært disse 45 skikkelig, går ikke videre på lista og puffer alle 84 (det er 81 i Stairs TB7, men noen på lista over de 45 er ikke i TB7 (to find, to read, to steal), derfor blir det 84 til sammen), men starter fra toppen av igjen. Dette er ikke for å være slem, men fordi det er bedre å kunne de 45 mest brukte skikkelig, enn at alle 84 skal bli en grøt i hodet.

De 45 mest brukte er markert med fet skrift. Liste over de 81 står i Stairs TB7 s. 238-240.

Det blir prøver hver 14. dag. Når vi er ferdige med alle verbene kommer det en stor prøve hvor du må kunne samtlige 45/84 verb!
